

## Colebrookdale Chapel

May 5, 2020

*That the world may know HIM!*

To the Body of Colebrookdale Chapel,

It was in our plans to open up the parking lot for services on Mother's Day for a way for us to see one another. The board, after feedback decided that the hour long service in cars would create a hardship for some of our body who are in poor health. It is much easier to continue to view the services online or via the DVD's. Unfortunately, there are about 6 families in our body that have no access to either DVD's or Youtube.

I do apologize for getting everyone's hopes up for Sundays. We will, however, be having Bible study and prayer starting May 13th. We will be meeting in the auditorium and we are asking all that attend to wear masks and to practice social distancing. We will be continuing our study In 2 Thessalonians.

As a pastor I am finding this time away from you very difficult. You are the ministry that God has given me, and not seeing you and fellowshiping with you is painful. I am reminded of many of Paul's epistles where he yearns to be with fellow believers but God does not allow it. God is in control, and He is the one who will carry us through these dark days.

These last couple of weeks have been very discouraging, as I can't see an ending to this madness. There are many guidelines being posted about how to come back together, and it seems it will be quite a process to accomplish. The idea of hugging on each other, seems to be more of a dream than a possible reality. Pray with me for a miracle!

Pray for the board, there are many voices, and many plans, we want God's will. There is much fear but, we want to fear God.

I am only a phone call away, please call, I miss hearing many of your voices.

I pray for you all daily.

Serving Christ,

Pastor Ken Lindow
